Commissioner for Patents

The reply filed on February 2, 2005 for application serial number 09/865,597 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has not fully responded to the rejection cited under 35 USC 112 first paragraph. Regarding the rejection cited under 35 USC 112 first paragraph Applicant stated that the current amendment more particularly points out the claimed subject matter. The examiner appreciates Applicants amendment but; in order to be entitled to reconsideration or further examination the reply must present more than a general allegation that the claims define a patentable invention; the response must specifically point out how the language of the claims patentably distinguishes. The omitted arguments are as follows: definitions for boundary tile, interior tile and geometry. How the geometries are compared note page 4 of the office action paragraph 6. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Greta L. Robinson whose telephone number is (571) 272-4118. The examiner can normally be reached on Mon.-Fri. 9:30AM-6:00PM. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John E. Breene can be reached on (571) 272-4107. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
